

BEST DESIGN OF VECTOR ILLUSTRATION

At first, i don't know what is vector illustration then i google it and come out something similar with the picture beside it. This picture i founded at a design book, my cousin she like to collect those design book so i borrow from her to photocopy it. I will choose this as the best design of vector illustration, because in my collect this picture is the only one can present clear what is vector illustration.

BEST DESIGN OF HAND PAINTING

For me hand painting is easy to find, it is because my house got many art book. i will choose this as the best design of hand painting, because this is the nice compare with the other hand painting that i have.

BEST DESIGN OF CARICATURE

Caricature is hard to find in magazines and newspaper. Lucky when Miss Ivy told us to find those item, it was the election time. When at election period the mandarin newspaper will have many caricature to represent politician. I will choose this it is because it is cute.

BEST DESIGN OF POSTER DESIGN

I choose this poster as the best design it is because in the poster have clear information what they want to tell to the audience. The typography and the color are suitable for this poster. Beside that the model or the kid are so cute.

BEST DESIGN OF TECHNICAL DRAWING

Technical drawing is the other hardest to find it. I use one week for find the technical drawing around my house. At last , i go to library to find some architecture book. Finally i got it the technical drawing and photocopy it.
